**Mission statement:** Doctors for Life Ireland is an organisation for doctors who wish to uphold the practice of medicine as a service to human life at all stages. It is open to medical practitioners of every specialty, both working and retired. It aims to provide evidence-based and factual information to doctors and others who are concerned about the ethical questions relating to patient care and practitioner responsibility at all stages of life. It is not affiliated to, or part of, any other organisation.

**Objective:** The object of Doctors for Life is to offer educational and professional support to doctors and others who are involved in the ethical questions relating to patient care and practitioner responsibility at all stages of human life.

**Application:** I wish to apply for annual membership to Doctors for Life Ireland. I undertake to uphold the practice of medicine as a service to human life. I believe in the inalienable right to life of human persons at all stages from conception to natural death. I undertake to respect and abide by the rules of governance of Doctors for Life Ireland. I consent to doctors for life storing my personal data in accordance with the requirements of the General Data Protection Act.
